(*ii*) the exemption of persons or classes of persons under section 4 from the provisions of this Act;

(*iii*) the manner of and the conditions governing the issue, renewal, suspension and cancellation of licenses, the form of licenses, and the payments to be made for the issue and renewal of licenses;

(*iv*) the maintenance of records containing details of the acquisition and disposal by sale or otherwise of wireless telegraphy apparatus possessed by dealers in wireless telegraphy apparatus; and

(*v*) determining the authority referred to in sub-section (*4*) of section 6.

(*3*) In making a rule under this section the Governor General in Council may direct that a breach of it shall be punishable with fine which may extend to one hundred rupees.

Saving of Indian Telegraph Act 1885.

10. Nothing in this Act contained shall authorise the doing of anything prohibited under the Indian Telegraph Act, 1885, and no license issued under this Act shall authorise any person to do anything for the doing of which a license or permission under the Indian Telegraph Act, 1885, is necessary. XIII of 1885. XIII of 1885.

STATEMENT OF OBJECTS AND REASONS.

An important source of revenue to the Indian State Broadcasting Service is the fees on licenses for wireless apparatus. These licenses are issued under the Indian Telegraph Act which, however, only gives power to control establishment, maintenance and working of such apparatus in British India. The detection of unlicensed apparatus and the successful prosecution of offenders is therefore difficult in practice as it is first necessary to locate unlicensed apparatus and then to prove that it has actually been established, maintained and worked. It is believed that the revenue lost at present owing to the use of unlicensed wireless apparatus is considerable, thus adversely affecting the financial position of the Indian State Broadcasting Service. It is now proposed to remedy this state of affairs by legislation to prohibit the possession without license of wireless apparatus as distinct from the establishment, maintenance and working of such apparatus, and the present Bill has been drafted with this object.

F. NOYCE.

NEW DELHI;

The 20th January, 1933.

NOTES ON CLAUSES.

Clause 2.—The definition of "wireless telegraphy apparatus" provides for the inclusion in that term of articles specifically declared by rule to be wireless telegraphy apparatus.

Clause 3 prohibits the possession without license of wireless telegraphy apparatus. The Indian Telegraph Act, 1885, controls only the establishing, maintenance and working of telegraphs, but does not restrict or control mere possession of apparatus, or penalize such possession without license unless it can be shown that the apparatus is used.

Clause 4 enables the Governor General in Council to permit in proper cases, for instance for research purposes, the possession without license of wireless telegraphy apparatus, and will enable certain persons already holding licenses under the Indian Telegraph Act, 1885, to be exempted from the provisions of the Act.

Clause 5 makes the Director General of Posts and Telegraphs or an officer empowered by him the licensing authority.

Clause 6 penalizes possession without license, and provides for the confiscation of apparatus in respect of which an offence is committed.

Clause 7 provides the power of search necessary for the enforcement of the Act.

Clause 8 supplements the provision for confiscation contained in clause 6, and provides that apparatus having no ostensible owner shall be the property of Government.

Clause 9 contains the necessary rule-making power.

Clause 10 saves the provisions of the Indian Telegraph Act, 1885, from the operation of the Act.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 1st February, 1933:—

L. A. BILL No. 6 OF 1933.

A Bill to regulate the payment of wages to certain classes of persons employed in industry.

WHEREAS it is expedient to regulate the payment of wages to certain classes of persons employed in industry; It is hereby enacted as follows:—

Short title, extent and application.

1. (*1*) This Act may be called the Payment of Wages Act, 1933.

(*2*) It extends to the whole of British India, including British Baluchistan and the Sonthal Parganas.

(*3*) The whole of the Act applies in the first instance to the payment of wages to persons employed in any factory, and the whole of the Act except section 3 applies in the first instance to the payment of wages to persons (not being persons employed in a factory) employed upon any railway by a railway administration or by a person fulfilling a contract with a railway administration.

(*4*) The Local Government in any province may, after giving three months' notice of its intention of so doing, by notification in the local official Gazette, apply the provisions of the Act or any of them, subject to such relaxations as may be specified in the notification, to the payment of wages to any class of persons employed in any industrial establishment.

(*5*) Nothing in this Act contained shall apply to the payment of wages to any person whose wages by whatever wage-periods paid amount to one hundred rupees a month or more.

Definitions.

2. In this Act, unless there is anything repugnant in the subject or context,—

(*i*) "factory" means a factory as defined in sub-clause (*a*) of clause (*3*) of section 2 of the Indian Factories Act, 1911; XII of 1911.

(*ii*) "prescribed" means prescribed by rules made under this Act; and

(*iii*) "wages" means all monies contracted to be paid to a person as remuneration for work done in his employment, but does not include—

(*a*) any contribution paid by the employer to any pension fund or provident fund;

(*b*) travelling allowance or the value of any travelling concession;

(*c*) any sum paid to the person employed to defray special expenses entailed on him by the nature of his employment; or

(*d*) any gratuity payable on discharge.

Payment of wages.

3. (*1*) Where by the terms of employment or by any contract express or implied wages are payable to a person at the end of fixed periods (in this Act referred to as wage-periods), such wages shall be paid before the expiry of the seventh day from the last day of the wage-period in which the wages have been earned, unless the seventh day is a non-working day, in which case the wages shall be paid on the first working day subsequent to such non-working day.

(*2*) Where the employment of any person is terminated by or on behalf of the employer, the wages due to him shall be paid before the expiry of the second day from the day on which his employment terminated.

Deductions which may be made from wages.

4. (*1*) Notwithstanding the provisions of sub-section (*2*) of section 47 of the Indian Railways Act, 1890, or of any other law for the time being in force, the wages due to an employed person shall be paid to him without deductions of any kind except those authorized by this Act. IX of 1890.

(*2*) Deductions from the wages of an employed person shall be made only in accordance with the provisions of this Act, and may be of the following kinds only, namely:—

(*a*) deductions by way of fine;

(*b*) deductions for damage or loss attributable to his neglect or default;

(*c*) deductions in respect of housing accommodation, tools or raw material supplied by the employer; and

(*d*) deductions in respect of such other services supplied by the employer as the Local Government or the prescribed authority may by general or special order authorize.

Deductions by way of fine.

(*1*) No deduction by way of fine shall be made from the wages of any employed person, unless a notice has been exhibited in the prescribed manner on the premises in which he is employed specifying the acts or omissions on the part of an employed person for which a fine may be imposed, nor otherwise than in accordance with such notice.

(*2*) The total amount which may be deducted by way of fine from the wages of an employed person shall not exceed in any one month an amount equal to half-an-anna in the rupee of his wages for that month.

(*3*) No deduction by way of fine shall be made from the wages of any employed person who is under the age of fifteen years.

(*4*) Where the recovery of a sum deducted by way of fine is made in instalments, the instalments shall not be more than two, and shall not extend beyond the wage-period following that in which the fine was imposed.

(*5*) All deductions by way of fine and all realizations thereof shall be recorded in a register to be kept by the employer in such form as may be prescribed; and the proceeds of all such deductions shall be expended only on such purposes beneficial to the persons employed in the factory or establishment as are approved by the prescribed authority.

Deductions for damage or loss.

6. A deduction under clause (*b*) of sub-section (*2*) section 4 shall not exceed the amount of the loss caused to the employer by the neglect or default of the employed person, or where the damage or loss is to an article manufactured for sale, the wholesale price of that article.

Deductions for services rendered.

7. A deduction under clause (*c*) or clause (*d*) of sub-section (*2*) of section 4 shall not be made from the wages of an employed person, unless the housing accommodation, tool, raw material or other service has been voluntarily accepted by him, and such deduction shall not exceed an amount equivalent to the value of the service rendered.

Rule-making power.

8. (*1*) The Local Government may, by notification in the local official Gazette, make rules for the purpose of carrying into effect the provisions of this Act.

(*2*) In particular and without prejudice to the generality of the foregoing power, such rules may—

(*a*) require the maintenance of such records and returns as are necessary for the enforcement of the Act, and prescribe the form thereof;

(*b*) prescribe the authority competent to authorize deductions for services under clause (*d*) of sub-section (*2*) of section 4;

(*c*) prescribe the manner in which the notice under sub-section (*1*) of section 5 of acts or omissions for which fines may be imposed shall be given;

(*d*) prescribe the form of the register of deductions from wages referred to in sub-section (*5*) of section 5, and the authority competent to approve of the purposes on which the proceeds of fines shall be expended; and

(*e*) prescribe the manner of giving notice of the days on which wages will be paid.

Inspectors.

9. (*1*) The Local Government may, by notification in the local official Gazette, appoint such persons as it thinks fit to be inspectors for the purposes of this Act, and may define the local limits within which they shall exercise their functions.

(*2*) An inspector of factories appointed under sub-section (*1*) of section 4 of the Indian Factories Act, 1911, shall be an inspector for the purposes of this Act in respect of all factories within the local limits assigned to him. XII of 1911.

(*3*) A Supervisor of Railway Labour appointed under sub-section (*1*) of section 71G of the Indian Railways Act, 1890, shall be an inspector for the purposes of this Act in respect of all persons to whom this Act applies employed upon a railway. IX of 1890.

(*4*) An inspector may enter on any premises, and make such examination of any prescribed register, and take on the spot or otherwise such evidence of any person, and exercise such other powers of inspection, as he may deem necessary for carrying out the purposes of this Act.

(*5*) Every inspector shall be deemed to be a public servant within the meaning of the Indian Penal Code. XLV of 1860.

Claims arising out of deductions from wages or delay in payment of wages.

10. (*1*) The Local Government may appoint a Magistrate or other person as the authority to hear and decide in any area assigned to him by the Local Government all claims arising out of deductions from the wages or delay in the payment of the wages of employed persons.

(*2*) Where contrary to the provisions of this Act any deduction has been made from the wages of an employed person, or any payment of wages has been delayed, such person himself, or any officer having powers of inspection under this Act, or any person acting on behalf of such person, may prefer a claim to the authority appointed under sub-section (*1*) for a direction under this section.

(*3*) When any claim under sub-section (*2*) is preferred, the authority shall hear the aggrieved party and the employer and may, without prejudice to any other penalty to which the employer is liable under this Act, direct the refund to the employed person of the amount deducted, or the payment of the delayed wages, together with the payment in either case of such compensation not exceeding ten times the amount of the sum wrongfully withheld as the authority may think fit,

Provided that no direction for the payment of compensation shall be made in the case of delayed wages, if the authority is satisfied that the delay was due to failure by the employed person to apply for payment.

(*4*) Any amount so awarded may be recovered in the manner provided in the Code of Criminal Procedure, 1898, for the recovery of fines. V of 1898.

Penalty for offences under the Act.

11. (*1*) Whoever being responsible for the payment of wages to an employed person contravenes any of the provisions of section 3, section 4, section 5, section 6 or section 7, shall be punished with fine which may extend to five hundred rupees.

(*2*) Whoever contravenes any provision of any rule made under section 8 shall be punished with fine which may extend to one hundred rupees.

Procedure in trial of offences.

12. (*1*) No Court shall take cognizance of a complaint against any person for an offence under sub-section (*1*) of section 11, unless a claim in respect of the facts constituting the offence has been successfully preferred under section 10, and the authority empowered under that section has sanctioned the making of the complaint.

(*2*) Before sanctioning the making of a complaint against any person for an offence under sub-section (*1*) of section 11 the authority empowered under section 10 shall give such person an opportunity of showing cause against the granting of such sanction, and the sanction shall not be granted if such person satisfies the authority that his default was due to a *bona fide* error or dispute as to the amount payable to the worker, or to a failure by the employed person to apply for payment.

(*3*) No Court shall take cognizance of an offence under sub-section (*2*) of section 11 except on a complaint made by or with the sanction of an officer exercising powers of inspection under section 9.

(*4*) In sentencing any person to fine for an offence under sub-section (*1*) of section 11 the Court shall take into consideration the amount of any compensation already awarded against the accused in any proceedings taken under section 10.

Bar of suits.

13. No Court shall entertain any suit for the recovery of wages or of any deduction from wages, if such suit raises a question substantially identical with a question which has been decided in a claim preferred under section 10.

Contracting out.

14. Any contract or agreement, whether made before or after the commencement of this Act, whereby an employed person relinquishes any right conferred by this Act shall be null and void in so far as it purports to deprive him of such right.

Powers to be exercised by Governor General in Council in certain cases.

15. The powers by this Act conferred upon the Local Government shall be exercised by the Governor General in Council in any case in which the exercise of such powers affects any persons (not being persons employed in a factory) employed upon a railway.

STATEMENT OF OBJECTS AND REASONS.

In 1926, the Government of India addressed Local Governments with a view to ascertain the position with regard to the delays which occurred in the payment of wages to persons employed in industry and the practice of imposing fines on them. The investigations revealed the existence of abuses in both directions and the material collected was placed before the Royal Commission on Labour which was appointed in 1929. The Commission collected further evidence on the subject and the results of their examination with their recommendations on these questions will be found on pages 216—221 and 236—241 of their Report. The Government of India have since re-examined the subject in the light of the Commission's Report and the Bill embodies the conclusions now reached. The principal provisions are explained in the subjoined Notes on Clauses.

F. NOYCE.

NEW DELHI;
The 30th January, 1933.

NOTES ON CLAUSES.

Clause 1.—The Bill applies only to wages payable to persons receiving less than Rs. 100 monthly. The provisions relating to prompt payment of wages are applicable in the first instance only to factory employees and the provisions relating to deductions are intended for application in the first instance to factory employees and railway workers. But it is proposed to give power to Local Governments to extend any or all of the provisions of the Act to other industrial establishments.

Clause 3.—This is designed to secure that wages shall ordinarily be paid within seven days of the expiry of the period within which they were earned. But it is proposed to reduce this period to two days when an employee is discharged.

Clause 4.—It is intended that the possible deductions from wages should be of three kinds only, *viz.*:—

(1) deductions by way of fines,

(2) deductions for damage or loss,

(3) deductions for services.

Clause 5.—It is proposed that fines may be imposed only on adults, that they should be strictly limited in amount and that they shall not be recoverable in more than two instalments or after an undue delay.

Clause 6.—In the case of deductions for damage or loss, the amount is limited to the actual loss or in the case of a manufactured article to the wholesale price of that article.

Clause 7.—Deductions for services are limited to certain services specified in clause 4 (*2*) (*c*) and to others which may be prescribed by authority, and provision is here made for limiting the amount of the deduction to the value of the service rendered.

Clause 10.—It is proposed that claims on account of either deductions or delay should ordinarily be enforced, if necessary, by non-criminal proceedings before a Magistrate or other officer, who will have the power to direct a refund together with the payment of compensation.

Clauses 11 and 12.—It is proposed that persons contravening the provisions of the Act should be liable to prosecution but that prosecutions should only be maintainable after a successful claim for a refund has been preferred and with the sanction of the authority granting the refund. Similarly, it is intended that prosecutions for infringement of the rules should require the sanction of an inspecting officer.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly :—

A Bill to provide for the protection of the names "Khaddar" and "Khadi" used as trade descriptions of cloth spun and woven by hand in India.

WHEREAS the names "Khaddar" and "Khadi" have come to mean cloth which is spun and woven by hand in India ;

AND WHEREAS it is desirable to protect the said names ;

It is hereby enacted as follows :—

Short title.

1. This Act may be called the Indian "Khaddar" (Name Protection) Act, 193 .

Definition of "Khaddar" and "Khadi".

2. In this Act, "Khaddar" and "Khadi", mean cloth which is spun and woven by hand in India.

Use of the names "Khaddar" and "Khadi" as trade descriptions on cloth.

3. The names "Khaddar" and "Khadi," whether in English or in any Indian vernacular language as exclusively signifying cloth spun and woven in India by hands, shall be deemed to be trade descriptions within the meaning of the Indian Merchandise Marks Act, 1889. IV of 1889.

STATEMENT OF OBJECTS AND REASONS.

Considerable progress has been made in recent years in reviving and popularising as a cottage industry spinning and weaving by hand as a supplementary occupation among the agriculturist population of this country, who stand in need of an additional source of income. Such progress as has been achieved is very largely supported by the patriotic impulse of the poorer and well-to-do classes who are purchasing Khaddar, or Khadi even at a sacrifice. The situation is sought to be taken advantage of by manufacturers of spurious Khaddar both in India and abroad, and purchasers have been frequently misled to the detriment of what might easily become a great national industry. The Bill, therefore, seeks to extend the protection afforded by the Merchandise Marks Act, 1889, to the names "Khaddar" and "Khadi" which have come to denote hand spun and handwoven cloth only. The exclusive use of these terms for this cloth cannot prejudicially affect *bona fide* producers or distributors of any other variety of cloth.

STATEMENT OF OBJECTS AND REASONS.

One of the objects of the Bengal Municipal Act of 1932, was to extend the franchise and put it on a wider basis so as to get as many persons as possible to interest themselves in the work and welfare of mufassil municipalities. But this object is likely to be frustrated by the narrow and rigid interpretation which is being put in certain quarters upon the residential qualification laid down in section 23 of the Act. "Residence" according to this interpretation has been taken as meaning actual, physical occupation throughout the year. This is likely to cause considerable hardship in many cases, specially in the case of those riparian and suburban municipalities near about Calcutta where there are many rate-payers, keenly interested in the sanitation and welfare of their native village, who have their family dwelling-house within the limits of the municipality and who occasionally visit and occupy the same but who for the sake of service or for the education of their children have to spend the larger part of the year in the metropolis. It was never the intention of the Legislature to shut out these people from the franchise; and judicial decisions make it perfectly clear that the word "residence" in section 23 must be taken in its "legal" and not in its "dictionary" sense. But this fact ought to be made clear in the Law itself so that people may be saved the unnecessary harassment of running to the law-courts. Accordingly, it is proposed in the present Bill to amend the Act by engrafting upon its body the rules framed under the old Bengal Municipal Act of 1884.

NOTIFICATION.

No. 966L.C.—10th March, 1933.—In pursuance of the provisions of rule 20 of the Bengal Legislative Council Rules, 1920, the following Bill, which was introduced in the Bengal Legislative Council on the 23rd February, 1933, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

THE BENGAL MUNICIPAL (AMENDMENT) BILL, 1933.

A

BILL

further to amend the Bengal Municipal Act of 1932.

WHEREAS it has been found necessary to amend the Bengal Municipal Act of 1932 ;

It is hereby enacted as follows :—

1. (*1*) This Act may be called the Bengal Municipal (Amendment) Act of 1933.

(*2*) It extends to the whole of Bengal except Calcutta as defined by clause (*11*) of section 3 of the Calcutta Municipal Act, 1923.

2. The Bengal Municipal Act of 1932, hereinafter referred to as the said Act shall be amended in the manner hereinafter provided.

3. In sub-clause (*iii*), clause (*2*) of section 23 of the said Act, there shall be a comma (,) after the word " resident " in line 3 thereof.

4. The following *Explanation* shall be added at the end of section 23 of the said Act :—

" *Explanation.*—A person shall be deemed to be resident within the limits of a municipality if he—

(*a*) ordinarily lives within those limits ;

(*b*) has his family dwelling-house within those limits and occasionally visits it ;

(*c*) maintains within those limits a dwelling-house ready for occupation in the charge of servants and occasionally occupies it ; or

(*d*) has any legal interest in a dwelling-house for which a rate has been paid as referred to in clause (*2*) (*iii*)(*a*) of the section and occasionally occupies it. A person may be resident within the limits of more than one municipality at the same time."

STATEMENT OF OBJECTS AND REASONS.

1. Some difficulties have been experienced regarding some sections of the Bengal Municipal Act, 1932, which are now necessary to be amended as per reasons noted below :—

2. The word " made " was perhaps omitted through printing mistake without which the " Regulations " cannot remain in force.

No mention has been made regarding the bye-laws as was the case in the old Act. So this provision is necessary for the working of the interim period before new bye-laws are framed.

3. (*a*) (*b*) (*c*). These amendments have been suggested to make them consistent with clause (*ii*) of sub-section (*5*) of section 23, which was the original intention of the legislation.

4. Section 132 makes the owner only liable for payment of rates. Moreover an occupier of a holding changes from one house to another every now and then, so the words " and occupier " shall be omitted.

5. Sub-section (*1*) of section 138 provides that the sanction of the Commissioners at a meeting is necessary for any alteration or amendment of the Assessment Register including even Arithmetical mistakes. This means curtailment of the power of the Chairman for no palpable advantage and will cause unnecessary delay in disposal of such cases. Moreover after any amendment of the Assessment Register is sanctioned by the Commissioners at a meeting under section 138, the same should not be revised by the Assessment Committee which is only a sub-committee as provided in sub-section (*3*) of section 138.

The assessee gets two chances once after assessment, *vide* sub-section (*2*) of section 147 and again after service of first notice of demand, *vide* sub-section (*2*) of section 148 to apply to the Commissioners for reviewing the amount of assessment or valuation or to exempt him from the assessment of rate. So sub-section (*2*) of section 138 should be amended as suggested by omission of clause (*d*) therefrom.

6. When a holding remains vacant for more than three quarters the order of remission on the original application only can be made within six months, whereas, that for the subsequent quarters will have to be made afterwards. In such cases the application for remission cannot be made within six months from the date of notice. Moreover the application for remission is redundant as the notice of vacancy is practically an application for remission. The period of six months prescribed for application for refund is too short and should, therefore, be extended to one year.

7. Unless the proposed amendment is accepted there will be great difficulty in the formation of such a committee and getting regular attendance of the same. The result will be long delay in the disposal of these matters, causing delay and complication in the realisation of the rates.

8 and 9. In the new Municipal Act the word taxes means " taxes " on carriages and animals which cannot be applied to sections 215 and 525.

THE BENGAL VILLAGE SELF-GOVERNMENT (AMENDMENT) BILL, 1933.

A

BILL

further to amend the Bengal Village Self-Government Act V of 1919.

Preamble.

WHEREAS it is expedient further to amend the Bengal Village Self-Government Act V of 1919 in the manner hereinafter appearing ;

It is hereby enacted as follows :—

Short title.

1. This Act may be called the Bengal Village Self-Government (Amendment) Act of 1933.

2. It shall come into force at once.

Amendment of section 23 of the Bengal Village Self-Government Act V of 1919 introducing further amendment after clause XIII.

3. In section 23 of the Bengal Village Self-Government Act (Act V of 1919) in section 23 after clause (*xiii*) insert—

(*xiv*) He shall report to the President about the condition of the bulls of the Union Board, if any.

Amendment of section 26.

4. In section 26 of the said Act after clause (*g*) insert—

(*h*) Shall take necessary steps by improvement of the breed of cattle, goat and to introduce fodder cultivation within the Union according to the instruction of the Live Stock Expert, Bengal, or Live Stock Officer of the circle.

STATEMENT OF OBJECTS AND REASONS.

Bengal is an agricultural province and agriculture depends mainly upon the cattle employed. It is generally taken that no arrangement for fodder is possible by the cultivators and zamindars are responsible for not making any provision for pasture land. In fact, the cultivators are to blame primarily as they are eager to be let out in fallow lands by paying high nazar. Whatever it might be, improvement of cattle is a dire necessity to the cultivating community. In fact, there is a paucity of strong and healthy bulls used for breeding purposes. Bengal annually pays a high sum for importing cattle from Upper India. Experience shows that if proper care be taken for maintaining strong bulls, much improvement is effected in getting strong and healthy calves and bullocks and the heavy drain for importing healthy bulls and buffaloes may be avoided. It is not possible for individual cultivators to arrange such a thing. If the Union Board are empowered to maintain such bulls, the cultivators may be much benefited. It will not only solve the question of bull-rearing, milk-supply will also be improved. There is a Government department for live stock, but unfortunately there is paucity of funds. In the Bengal Village Self-Government Act no provision has been made in this much-needed direction. Two things are necessary—

(1) proper supply of breeding bull and its maintenance, and

(2) minimising the cost of importation of such bulls and good cows, buffaloes and goats, from Upper India.

Lower railway freight is charged for importation of seeds and manure, but no such concession is allowed for importation of live stock. Union Boards are the proper authorities to take the lead in the matter and to effect the desired improvement with the help of the District Board and Government department for live stock. Special study of cattle-breeding and dairies should be made in the Government Veterinary College. It is with this idea that this Bill seeks to authorise the Union Boards to take necessary action in these respects. The working details are to be arranged by rules made for this purpose.

THE CALCUTTA MUNICIPAL (AMENDMENT) BILL, 1933.

A

BILL

to amend the Calcutta Municipal Act, 1923.

WHEREAS it is expedient to amend the Calcutta Municipal Act, 1923, in the manner hereinafter appearing so as to give larger representation to the people of Calcutta by a larger extension of franchise ;

It is enacted as follows :—

1. That the Act may be called the Calcutta Municipal (Amendment) Act of 1933.

2. That it shall come into force at once.

3. That in the Act the words "The Act" mean the Calcutta Municipal Act, 1923.

4. That in the 15th line of section 20 (*1*)(*a*) of the Act the words "not less than twelve rupees" be omitted and the word "any" be substituted for the letter "a" occurring in the same line.

5. That in section 20(*2*) (*c*) of the Act the following amendments be made :—

(*i*) in the 4th line for the words "the owner" substitute the words "the name of the owner."

(*ii*) in the 10th line "Any" to be substituted for "a" and the words "of not less than twelve rupees" be omitted.

(*iii*) in the 13th line and 14th line the words " shall be entered by the Executive Officer" to be substituted for the words "has on application to the Executive Officer had his name entered."

STATEMENT OF OBJECTS AND REASONS.

The present qualification for voters is too high and excludes a very large section of the inhabitants of Calcutta from exercising their right to vote. In view of the lowering of qualification of the voters to the Bengal Legislative Council and extension of franchise in the case of Bengal Municipalities it is only right and proper that the qualifications of the voters to the Calcutta Corporation should be lowered.

(5) All deductions by way of fine and all realizations thereof shall be recorded in a register to be kept by the employer in such form as may be prescribed; and the proceeds of all such deductions shall be expended only on such purposes beneficial to the persons employed in the factory or establishment as are approved by the prescribed authority.

Deductions for damage or loss.

6. A deduction under clause (b) of sub-section (2) of section 4 shall not exceed the amount of the loss caused to the employer by the neglect or default of the employed person, or where the damage or loss is to an article manufactured for sale, the wholesale price of that article.

Deductions for services rendered.

7. A deduction under clause (c) or clause (d) of sub-section (2) of section 4 shall not be made from the wages of an employed person, unless the housing accommodation, tool, raw material or other service has been voluntarily accepted by him, and such deduction shall not exceed an amount equivalent to the value of the service rendered.

Rule-making power.

8. (1) The Local Government may, by notification in the local official Gazette, make rules for the purpose of carrying into effect the provisions of this Act.

(2) In particular and without prejudice to the generality of the foregoing power, such rules may—

(a) require the maintenance of such records and returns as are necessary for the enforcement of the Act, and prescribe the form thereof;

(b) prescribe the authority competent to authorize deductions for services under clause (d) of sub-section (2) of section 4;

(c) prescribe the manner in which the notice under sub-section (1) of section 5 of acts or omissions for which fines may be imposed shall be given;

(d) prescribe the form of the register of deductions from wages referred to in sub-section (5) of section 5, and the authority competent to approve of the purposes on which the proceeds of fines shall be expended; and

(e) prescribe the manner of giving notice of the days on which wages will be paid.

Inspectors.

9. (1) The Local Government may, by notification in the local official Gazette, appoint such persons as it thinks fit to be inspectors for the purposes of this Act, and may define the local limits within which they shall exercise their functions.

(2) An inspector of factories appointed under sub-section (1) of section 4 of the Indian Factories Act, 1911, shall be an inspector for the purposes of this Act in respect of all factories within the local limits assigned to him. XII of 1911.

(3) A Supervisor of Railway Labour appointed under sub-section (1) of section 71G of the Indian Railways Act, 1890, shall be an inspector for the purposes of this Act in respect of all persons to whom this Act applies employed upon a railway. IX of 1890.

(4) An inspector may enter on any premises, and make such examination of any prescribed register, and take on the spot or otherwise such evidence of any person, and exercise such other powers of inspection, as he may deem necessary for carrying out the purposes of this Act.

(5) Every inspector shall be deemed to be a public servant within the meaning of the Indian Penal Code. XLV of 1860.

Claims arising out of deductions from wages or delay in payment of wages.

10. (1) The Local Government may appoint a Magistrate or other person as the authority to hear and decide in any area assigned to him by the Local Government all claims arising out of deductions from the wages or delay in the payment of the wages of employed persons.

(2) Where contrary to the provisions of this Act any deduction has been made from the wages of an employed person, or any payment of wages has been delayed, such person himself, or any officer having powers of inspection under this Act, or any person acting on behalf of such person, may prefer a claim to the authority appointed under sub-section (1) for a direction under this section.

(3) When any claim under sub-section (2) is preferred, the authority shall hear the aggrieved party and the employer and may, without prejudice to any other

penalty to which the employer is liable under this Act, direct the refund to the employed person of the amount deducted, or the payment of the delayed wages, together with the payment in either case of such compensation not exceeding ten times the amount of the sum wrongfully withheld as the authority may think fit:

Provided that no direction for the payment of compensation shall be made in the case of delayed wages, if the authority is satisfied that the delay was due to failure by the employed person to apply for payment.

(4) Any amount so awarded may be recovered in the manner provided in the Code of Criminal Procedure, 1898, for the recovery of fines. V of 1898.

Penalty for offences under the Act.

11. (*1*) Whoever being responsible for the payment of wages to an employed person contravenes any of the provisions of section 3, section 4, section 5, section 6 or section 7, shall be punished with fine which may extend to five hundred rupees.

(*2*) Whoever contravenes any provision of any rule made under section 8 shall be punished with fine which may extend to one hundred rupees.

Procedure in trial of offences.

12. (*1*) No Court shall take cognizance of a complaint against any person for an offence under sub-section (*1*) of section 11, unless a claim in respect of the facts constituting the offence has been successfully preferred under section 10, and the authority empowered under that section has sanctioned the making of the complaint.

(*2*) Before sanctioning the making of a complaint against any person for an offence under sub-section (*1*) of section 11 the authority empowered under section 10 shall give such person an opportunity of showing cause against the granting of such sanction, and the sanction shall not be granted if such person satisfies the authority that his default was due a *bona fide* error or dispute as to the amount payable to the worker, or to a failure by the employed person to apply for payment.

(*3*) No Court shall take cognizance of an offence under sub-section (*2*) of section 11 except on a complaint made by or with the sanction of an officer exercising powers of inspection under section 9.

(*4*) In sentencing any person to fine for an offence under sub-section (*1*) of section 11 the Court shall take into consideration the amount of any compensation already awarded against the accused in any proceedings taken under section 10.

Bar of suits.

13. No Court shall entertain any suit for the recovery of wages or of any deduction from wages, if such suit raises a question substantially identical with a question which has been decided in a claim preferred under section 10.

Contracting out.

14. Any contract or agreement, whether made before or after the commencement of this Act, whereby an employed person relinquishes any right conferred by this Act shall be null and void in so far as it purports to deprive him of such right.

Powers to be exercised by Governor General in Council in certain cases.

15. The powers by this Act conferred upon the Local Government shall be exercised by the Governor General in Council in any case in which the exercise of such powers affects any persons (not being persons employed in a factory) employed upon a railway.

STATEMENT OF OBJECTS AND REASONS.

In 1926, the Government of India addressed Local Governments with a view to ascertain the position with regard to the delays which occurred in the payment of wages to persons employed in industry and the practice of imposing fines on them. The investigations revealed the existence of abuses in both directions and the material collected was placed before the Royal Commission on Labour which was appointed in 1929. The Commission collected further evidence on the subject and the results of their examination with their recommendations on these questions will be found on pages 216—221 and 236—241 of their Report. The Government of India have since re-examined the subject in the light of the Commission's Report and the Bill embodies the conclusions now reached. The principal provisions are explained in the subjoined Notes on Clauses.

F. NOYCE.

NEW DELHI;

The 30th January, 1933.

NOTES ON CLAUSES.

Clause 1.—The Bill applies only to wages payable to persons receiving less than Rs. 100 monthly. The provisions relating to prompt payment of wages are applicable in the first instance only to factory employees and the provisions relating to deductions are intended for application in the first instance to factory employees and railway workers. But it is proposed to give power to Local Governments to extend any or all of the provisions of the Act to other industrial establishments.

Clause 3.—This is designed to secure that wages shall ordinarily be paid within seven days of the expiry of the period within which they were earned. But it is proposed to reduce this period to two days when an employee is discharged.

Clause 4.—It is intended that the possible deductions from wages should be of three kinds only, *viz.*:—

(1) deductions by way of fines,

(2) deductions for damage or loss,

(3) deductions for services.

Clause 5.—It is proposed that fines may be imposed only on adults, that they should be strictly limited in amount and that they shall not be recoverable in more than two instalments or after an undue delay.

Clause 6.—In the case of deductions for damage or loss, the amount is limited to the actual loss or in the case of a manufactured article to the wholesale price of that article.

Clause 7.—Deductions for services are limited to certain services specified in clause 4 (*2*) (*c*) and to others which may be prescribed by authority and provision is here made for limiting the amount of the deduction to the value of the service rendered.

Clause 10.—It is proposed that claims on account of either deductions or delay should ordinarily be enforced, if necessary, by non-criminal proceedings before a Magistrate or other officer, who will have the power to direct a refund together with the payment of compensation.

Clauses 11 and 12.—It is proposed that persons contravening the provisions of the Act should be liable to prosecution but that prosecutions should only be maintainable after a successful claim for a refund has been preferred and with the sanction of the authority granting the refund. Similarly, it is intended that prosecutions for infringement of the rules should require the sanction of an inspecting officer

Insert the following as Rule 30A in Chapter V, Part II of the "Rules of the High Court, Appellate Side, Calcutta, 1922":—

"30A. The notice to a minor of the proceedings in this Court, whether such minor was a party in the Courts below or is substituted in this Court, shall, in the first instance, be served on a proposed guardian who must either be the certificated guardian or in his absence the natural guardian. In the latter case the memorandum of appeal or petition for revision, as the case may be, shall be accompanied by an application drawn in accordance with the provisions of Order 32, rule 3 (*3*) of the Code of Civil Procedure. When the notice is served on the certificated guardian, no further action will ordinarily be taken. But if the notice is served on the natural guardian and he does not appear in the case within twenty-one days after the date of service of the notice, the matter shall be brought to the notice of the Registrar with a view to the appointment of the Deputy Registrar as guardian *ad litem* of the minor in question. If, however, in such circumstances a party desires to go on with the proceedings without a Court guardian being appointed for the minor, he may be allowed to do so, provided he satisfies the Registrar that whichever way the proceedings may end, the interest of the minor will not be adversely affected.

This Rule shall apply to all appeals and revision cases which may be pending in the High Court on the 1st April 1933; provided that as regards all such cases as may have been pending before that date such representation of minors concerned therein as was, or could be considered, valid on that date but for this Rule will not be, merely by reason of it, invalidated."

Part VI

Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 16th February, 1933 :—

L. A. BILL No. 7 OF 1933.

A Bill to extend the operation of the Wheat (Import Duty) Act, 1931.

WHEREAS it is expedient to extend the operation of the Wheat (Import Duty) Act, 1931 ; It is hereby enacted as follows :— XV of 1931.

Short title.

1. This Act may be called the Wheat Import Duty (Extending), Act, 1933.

Amendment of section 1, Act XV of 1931.

2. In sub-section (*3*) of section 1 of the Wheat (Import Duty) Act, 1931, for the figures " 1933 " the figures " 1934 " shall be substituted. XV of 1931.

STATEMENT OF OBJECTS AND REASONS.

Since the passing of the Wheat Import Duty (Extending) Act, 1932, the Government of India have maintained a careful watch on the wheat position in India and they are satisfied that no such change has yet taken place as would justify the removal of the duty at the end of next March. The Bill, therefore, proposes to extend the life-time of the Wheat (Import Duty) Act, 1931, so as to continue the existing duties on wheat and wheat flour for a further period of one year, *viz.*, up to the 31st March, 1934, while retaining power to reduce or remove them by executive action before that date if circumstances so change as to render the duties excessive or unnecessary.

GOVERNMENT OF INDIA.

Legislative Department.

The following Bill was introduced in the Council of State on the 16th February, 1933 :—

C. OF S. BILL No. 1 OF 1933.

A Bill further to amend the Negotiable Instruments Act, 1881, for a certain purpose.

WHEREAS it is expedient further to amend the Negotiable Instruments Act, 1881, for the purpose hereinafter appearing ; It is hereby enacted as follows:— XXVI of 1881.

Short title.

1. This Act may be called the Negotiable Instruments (Amendment) Act, 1933.

Amendment of section 85, Act XXVI of 1881.

2. Section 85 of the Negotiable Instruments Act, 1881, shall be renumbered as sub-section (*1*) of section 85, and to the said section so renumbered the following sub-section shall be added, namely :— XXVI of 1881.

" (*2*) Where a cheque is originally expressed to be payable to bearer, the drawee is discharged by payment in due course to the bearer thereof, notwithstanding any endorsement whether in full or in blank appearing thereon, and notwithstanding that any such endorsement purports to restrict or exclude further negotiation."

STATEMENT OF OBJECTS AND REASONS.

The object of the Bill is to amend the Negotiable Instruments Act, 1881, so as to provide that cheques originally drawn to bearer shall not lose their bearer character notwithstanding any endorsement thereon whether in full or in blank and whether such endorsement purports to restrict or exclude further negotiation or not. The necessity for the amendment has arisen out of a ruling of the Bombay High Court that under section 50 of the Negotiable Instruments Act, 1881, and the explanation thereto, a bearer bill can legally be changed to an order bill by endorsement. This makes it incumbent on banks to examine all endorsements upon bearer cheques and thus considerably increases their work and responsibility without any compensatory advantage to their constituents or to the general public. The proposed Bill aims at removing this difficulty of the banks.

The Charitable Endowments Act, 1890.

No. 1005Edn.—22nd March 1933.—Whereas by notification No. 1842Edn., dated the 2nd November 1919, under the Charitable Endowments Act, 1890, certain securities and interest set forth in the First Schedule thereto were vested in the Treasurer of Charitable Endowments, Bengal, to be held for the purposes of the Scheme set forth in the Second Schedule thereto (being the Sussex Trust for the educational purposes described in the said Scheme).

AND WHEREAS by rules 2 and 3 of the said Scheme it was provided that any income not required by the Administrator for the purpose of the Scheme should be refunded to the Treasurer and any income accrued and not called for by the Administrator should be retained by the Treasurer, and all such unused income should be transferred to an account called the "Surplus income account" and be invested, and by rule 4 it was provided that the investments of the surplus income account might be realised and paid to the Administrator for any unusual expenditure for any of the purposes of the Scheme.

AND WHEREAS the Scheme provided for six special endowments for which the fund was to be used, one of these being endowment (*d*) Primary School for Indian Boys, and a sum of Rs. 1,00,000 was allocated for that object and under the special endowment rules, section D, it was provided that the intended school should be constructed and established out of such Rs. 1,00,000.

AND WHEREAS the said school is now in course of construction at a cost of Rs. 55,000 or thereabouts and part of the investments representing the said fund of Rs. 1,00,000 have been realised to provide Rs. 27,500 paid on account of such construction and it is now necessary to provide a further Rs. 28,000.

AND WHEREAS it is anticipated that if such Rs. 28,000 is provided out of the remainder of the said fund the balance left will not produce sufficient income for the proper maintenance of the said school.

AND WHEREAS there is a large balance in the surplus income account available for expenditure, but doubts have arisen as to whether the provisions of rule 4 as to applying surplus income for unusual expenditure are applicable to the case of the capital cost of construction of the said school.

AND WHEREAS a large part of the surplus income account has been derived from unused income arising from the said fund for object (*d*) Primary School for Indian Boys and it is considered just and proper that the said Scheme should be modified so as to provide that a part of the surplus income account which may reasonably be deemed to have accrued from the said fund for object (*d*) should be restored to that fund.

AND WHEREAS application for such modification has been made by the Director of Public Instruction, Bengal, as the person acting in the administration of the trust, under the provisions of section 6 of the said Act and the donor though not at present in India has approved such proposed modification.

IT IS HEREBY NOTIFIED that the said Scheme be modified by the addition to rule 4 of the proviso set forth in Schedule hereto and that such modification shall take effect forthwith upon the publication of this notification in the *Calcutta Gazette*.

Schedule.

(Addition to rule 4.)

Provided always that in the particular case of special endowment "(*d*) Primary School for Indian Boys" (and notwithstanding that the same may be deemed not to be unusual expenditure of the kind contemplated in this rule) out of the investments at credit of the surplus income account the Treasurer shall when and as required by the Administrator realise investments of the nominal value of Rs. 28,000 of the 4 per cent. Loan, 1960-70, and pay the proceeds thereof to the Administrator and such proceeds shall be applied by the Administrator in or towards the cost of construction and equipment of the said Primary School for Indian Boys.

NOTIFICATIONS.

No. 5-I.—22nd March 1933.—In exercise of the power conferred by section 21 of the Bengal Embankment Act, 1882 (Bengal Act II of 1882), the Governor in Council is pleased to appoint Mr. G. Hepburn of Killcott Tea Estate to be a member of the Embankment Committee for the district of Jalpaiguri, in place of Mr. H. Briggs of the Kerbala Tea Estate, who has left the district.

No. 6-I—24th March 1933.—In exercise of the power conferred by sections 78 and 99 of the Bengal Irrigation Act, 1876 (Bengal Act III of 1876), the Governor in Council is pleased to make the following rules and schedule of rates for the supply of water from the combined Damodar and Eden Canal (to be called the Damodar Canal), in supersession of notification No. 178, dated the 22nd August 1898 (published at pages 909-911, Part I of the *Calcutta Gazette* of the 24th August 1898), as amended by subsequent notifications.

2. A draft of the rules and schedule of rates was published in the *Calcutta Gazette* of the 19th and 26th January 1933 and 2nd, 9th and 16th February 1933:—

Rules and schedule of rates.

1. **Lease for a term of years.**—The country served by the Damodar and Eden Canals (hereafter called the Damodar Canal) shall be mapped out into blocks of convenient size in accordance with the features of the ground, natural or artificial. So far as may be practicable, the blocks shall be separated by drainage lines. This shall be done by the Subdivisional Canal Officers under the guidance and control of the Divisional Canal Officer.

2. Each block formed under rule 1 shall be numbered and recorded with its gross and irrigable areas in registers to be maintained by the Subdivisional Canal Officers. The blocks shall also be marked on maps to be maintained by such officers.

3. Leases for not more than seven years may be granted for the whole irrigable area of a block or for a definite part of a block under the following conditions:—

I. Ordinarily the whole irrigable area of any village so far as situated within the block must be included in the lease. If the lands of a village within the block are divisible into two or more distinct parts which can be irrigated independently, a separate lease may be granted for each part.

II. All leases within one block shall be so granted that they shall expire on the same date.

III. No lease shall be granted when the supply of water must of necessity be delivered across an unleased area, except where a channel exists, which, in the opinion of the Subdivisional Canal Officer, will deliver water without waste across the unleased area.

4. The Chief Engineer shall fix from time to time the gross area for which, and the limits of the canal within which, leases for a term of years may be granted.

5. Maps of all villages in which leases have been taken for a term of years, or in which there is any prospect of such leases being taken, shall be kept in the Subdivisional Canal offices. These maps shall be drawn to a scale $32'' = 1$ mile when such are available, and elsewhere to a scale $16'' = 1$ mile.

6. Applications for long leases for the irrigation of any crop between the 15th June and the 31st March must be filed by the 1st of September, after which applications for long leases will not be received. The preliminary application for a new lease for a term of years, or for the renewal of such lease, shall be made in writing but may be of an informal nature. It may be presented and shall be received either at the Subdivisional or Sectional Canal office; in the latter case the Sectional Officer shall forward it immediately to the Subdivisional Canal Officer. The Subdivisional Canal Officer, as soon as he has, by personal enquiry or by an enquiry made by the Sectional Officer, satisfied himself that the land in question constitutes a definite block or a definite part of a block and that it can be irrigated, shall at once inform the Divisional Canal Officer giving such particulars as that officer may direct, and shall ask his formal approval to the lease being proceeded with. On receipt of such approval the Subdivisional Canal Officer shall forward the preliminary application to the Zilladar, in order that the detailed assessment may be taken in hand. The lands in respect of which the lease is to be granted shall be indicated on a copy of the map referred to in rule 5.

7. The Zilladar on receipt of the application shall prepare the detailed assessment paper (khasra) of the land with the aid of the district settlement map, the record-of-rights and the plot index if available. If there is no settlement map of the area, an amin shall make a sketch map and a *khasra* and shall measure the areas of the plots with a chain or measuring rod.

8. When the *khasra* is prepared the Zilladar shall forward it to the Subdivisional Canal Officer for approval.

9. As soon as the khasra has been approved by the Subdivisional Canal Officer, he shall return it to the Zilladar endorsed with his signature in token of approval.

The Zilladar shall then prepare a khatian or abstract of the *khasra*, and shall have the form of application, given in Appendix No. I to these rules, filled up and signed or marked by each of the applicants, in the presence of two witnesses.

When the application has been duly signed, the Zilladar shall send it to the Deputy Collector or other officer in charge of the revenue division hereafter called the Revenue Officer who after scrutiny will send it to the Divisional Canal Officer, by whom the permit or formal approval of the lease shall be signed and issued in the form given as Appendix No. III to these rules. The permit shall be made over to the representative of the cultivators by the Subdivisional Canal Officer by means of his Sectional Officer. The Divisional Canal Officer shall return the application to the Revenue Officer, with a copy of the permit for record.

10. If the cultivators of any block, with regard to which an application for a lease is being proposed, are not unanimous, and if some of them decline to sign the application the Zilladar shall report the matter to the Subdivisional Canal Officer. This officer shall hold a local enquiry, recording the statements of the persons who decline to sign and recording his personal opinion on the reasons given. He shall then send a report to the Divisional Canal Officer, who shall decide whether the lease may be accepted excluding the fields in the occupation of the persons who decline to sign, or whether the lease shall be declined. The Divisional Canal Officer is authorised to grant a lease when not less than 95 per cent. of the holders of the net irrigable area of the block have

signed the application. In particular cases should it be desirable to grant a lease even though an area larger than 5 per cent. of the block has not been signed for, this may be done on the written order of the Superintending Engineer. The reason for granting the lease shall be fully recorded.

11. **Covering leases.**—Applicants for a lease for a term of years who may require water before the lease has been concluded can obtain a supply on tendering an application for a covering lease in the form given in Appendix No. II to these rules. This application shall be signed in the presence of the Zilladar or some other responsible officer nominated for the purpose by the Subdivisional Canal Officer. The signatures of the leading cultivators in the block in question shall be obtained and they shall represent holders of not less than 75 per cent. of the irrigable land within the block.

As soon as the Subdivisional Canal Officer receives the application duly signed, he shall issue a permit in the form given in Appendix No. IV to these rules, and shall at once supply water.

12. **Kharif season leases.**—If a lease for which an application has been filed for a term of years is not concluded for any reasons and water has been supplied under a covering permit, the lease shall be treated as a kharif season lease and water rates charged in accordance with item 2 of the schedule of rates.

Kharif season leases may be granted within the areas set apart for long leases but holders of kharif season leases will not be entitled to water until the demands of the long-leased area have been met or there is surplus water. The rates to be paid will be in accordance with item 2 of the schedule of rates. These leases will expire on the 31st of October each year. Applications for kharif season leases may be presented to the Subdivisional Canal Officer or to the Sectional Officer. They must be in the form given in Appendix V to these rules. The permit for the supply of water in the form given in Appendix VI to these rules will be granted by the Subdivisional Canal Officer.

13. **Single watering leases.**—Applications for a single watering during the kharif season, may be entertained if water is available, after meeting the demand for the areas leased for a term of years. The applications may be presented at the Subdivisional Canal office or to the Sectional Officer. They must be in the form given in Appendix No. VII to these rules.

The application must be for a definite block and the signatures of the applicants must cover areas aggregating not less than four-fifths of the irrigable lands in the block.

If the Subdivisional Officer is able to supply water and accepts the application he will require the applicants to pay in advance one-half of the amount due on the areas entered in the application at the rate specified in the schedule of rates, and on this sum being paid he will at once issue a permit in the form given in Appendix No. VIII to these rules and will supply water. When the watering has been concluded the area actually irrigated shall be determined and the assessment shall be made on the areas actually watered within the limits of the block specified in the application and permit.

14. **Rabi season leases.**—Applications for water to irrigate spring rice or other crops excluding sugarcane between November and March, inclusive, may be presented at the Subdivisional Canal office or to the

Sectional Officer. They must be in the form given in Appendix No. IX to these rules.

In the applications the areas for which water is required must be specified but the rate will be charged on those areas for which water is actually used as determined by measurement.

The permit in the form given in Appendix X to these rules will be granted by the Subdivisional Canal Officer if he is able to supply the water.

The permit in the form given in Appendix XII to these rules will be granted by the Subdivisional Canal Officer if he is able to supply the water.

16. **Single waterings in the hot weather.**—If water is available in the hot weather months it will be supplied in single waterings for the irrigation of any crop between 1st April and 14th June on the receipt of applications in form given in Appendix XIII to these rules: the Subdivisional Canal Officer will issue the permit in the form given in Appendix XIV to these rules.

17. **Supply of water.**—The Divisional Canal Officer shall control the supply of water throughout the division in his charge.

No water shall be supplied to any lands except such as have been brought under a lease for a term of years or for the season, or to such as are provided for by a covering lease or by a lease for a single watering.

18. Under the forms of Irrigation lease in use, no specific supply of water is promised: but the undertaking is to give such a supply to each lessee as may be necessary for the lands leased. The supply shall be given, as may be required for the proper cultivation of the crops under irrigation, according to the exigencies of the season.

19. The Divisional Canal Officer will give the required supply by rotation in accordance with the sanctioned tatil table and map where such exists. He is required to give the lessees written notice informing them of the periods when they will be supplied with water. No alteration is permitted in the table of rotation without the written sanction of the Superintending Engineer.

20. **Collection of water-rates.**—The rates due for water supplied shall be collected by the Revenue Officer through his staff of Zilladars, Tahsildars and peons. All khatians or demand statements shall be signed by the Revenue Officer after scrutiny in his office.

This extract shall be furnished in such form as may from time to time be approved for the purpose.

22. Each person on paying the sum due from him shall be given a receipt in the form prescribed for the purpose.

23. For the purposes of account, control over establishment and general administration, the Revenue Officer is in the position of an Executive Engineer in charge of a division, and is directly subordinate to the Superintending Engineer. In regard to any proceedings taken under the Bengal Public Demands Recovery Act, 1913, the Revenue Officer is subject to the control of the Collector of the district.

24. **Unauthorised use of water and waste of water.**—If it is necessary to take action under the provisions of sections 79 and 80 of the Act, proceedings shall be instituted only under the direct and special order of the Divisional Canal Officer. The primary record of the facts regarding the unauthorised use or the waste of water shall be made by the Subdivisional Canal Officer and his subordinates. The parties whom it is proposed to assess shall be informed in writing, and shall be called on to show cause why they should not be assessed. The record of their statements shall be made by the Divisional or by the Subdivisional Canal Officer. The Divisional Canal Officer shall consider the facts and statements recorded, and shall, in deciding the case, give his reasons for or against the assessment, both as regards the facts and as regards the law; and he shall determine the rate to be charged in accordance with the provision in the schedule of rates attached to these rules.

25. Should the Divisional Canal Officer decide on making an assessment, he shall have the assessment papers prepared by the Subdivisional Canal Officer and his staff. Each person assessed shall be furnished with a statement of the charge against him, and an abstract of the demand or khatian shall be sent to the Revenue Officer, who shall proceed to recover the sums assessed. The period of one month within which an appeal may be presented to the Collector under section 91 of the Bengal Irrigation Act, 1876 (hereinafter referred to as the Act) shall count from the date on which the order of the Divisional Canal Officer is received by the person assessed, which date shall be endorsed on the order.

26. No proceedings shall be instituted if the unauthorised use or the waste of water have occurred through the act or neglect of a Canal Officer or a subordinate employed on the canal.

27. **Complaints and applications.**—All complaints or applications with respect to the supply of water, defective drainage, and generally all matters relating to the administration of the canals, shall be received on presentation at either the Divisional or Subdivisional Canal offices.

Complaints and applications received by a Divisional Canal Officer may be transferred to his Subdivisional Canal Officers for disposal at his discretion.

Any such complaints or applications, if presented to the Revenue Officer or to his staff, shall be returned endorsed with instructions as to the proper office at which to present them. If received by post, they shall be at once forwarded to the Divisional or Subdivisional Canal Officer.

28. Complaints or applications with respect to corrections of the assessment, the actions of the amins in assessing and the actions of the Tahsildars and other staff employed in collection shall be received at the office of the Revenue Officer, or at the Zilladars' offices.

29. Receipts in the prescribed form shall be given at all offices for complaints or applications presented. The receipt of all complaints and applications shall be recorded in registers to be kept for that purpose.

30. The officer receiving the complaint or application shall either make a personal enquiry into the matter or he shall nominate in writing some responsible person to hold the enquiry.

31. The orders passed on all complaints or applications shall be in writing, and a copy of every order shall be furnished to the complainant or applicant.

The copy of an order may be sent by registered post if this is convenient.

The period within which an appeal may be presented under section 91 of the Act shall be reckoned from the date on which the copy of the order is received by the person.

32. When an appeal to the Collector is from the order of a Subdivisional Canal Officer, the records of the proceedings shall be obtained through the Divisional Canal Officer, who may endorse such remarks as he may think desirable, provided that he does not thereby detain the proceedings.

In all cases in which an appeal against an assessment is preferred to the Collector, he may, if he thinks fit, direct that the collection of water-rates be suspended till the appeal is disposed of.

33. The Divisional Canal Officer is empowered to revise the proceedings of his Subdivisional Canal Officers, and the Superintending Engineer is empowered to call for and to revise the proceedings of all officers under his control.

34. **Remissions and alterations of demands.**—Whenever the crop on any land entitled to a supply of water suffers material injury from an insufficient supply of water, or from any interruption in the supply of water, remission of the rate due on such crop shall be given by the Divisional Canal Officer, provided that the person claiming such remission shall have applied for it not less than 15 days before the reaping of the crop.

35. On the occasion of lands being brought under a lease for a term of years, the Divisional Canal Officer is empowered to remit the rates for the first season on those fields which from the nature of the cultivation then obtaining, or from other causes, have not in that season derived any benefit from the supply of canal water.

36. Should the crop on lands under lease for a term of years suffer material injury from excess of water due to deficient drainage, the Divisional Canal Officer may grant remission of the rates due on such lands in whole or in part, provided that the person asking for remission shall have applied at least 15 days before the reaping of the crop.

37. Revisions of the assessment required in consequence of land under lease being left uncultivated or of land being appropriated for purposes other than cultivation shall be made under the orders of Divisional Canal Officer.

38. Revision of the assessment required in consequence of incorrect entries of the names of occupants of lands under lease or of incorrect entries of areas or amounts in the assessment papers, or required by changes in the occupation of lands shall be made under the orders of the Revenue Officer, provided that no change involving any increase or decrease in the total area under lease for a term of years shall be made without the concurrence of the Divisional Canal Officer.

39. Remissions of water-rates on account of injury to the crops caused by inundation, blight, storms or any extraordinary cause or for any other reason will only be allowed under the special orders of the Local Government.

40. **Irrecoverable demands.**—The Superintending Engineer is empowered to sanction the writing-off of those demands which are reported, after due enquiry by the Revenue Officer, as irrecoverable owing to the poverty of the defaulter or his successors in case of his death, or owing to the defaulter having absconded.

41. **Cultivators' representatives.**—Whenever the preliminary application for a lease for a term of years has been approved by the Divisional Canal Officer, the Revenue Officer shall, with the concurrence of the Subdivisional Canal Officer, select as representative of the cultivators a suitable person or persons who shall generally be acceptable to the cultivators and who shall each have a direct interest in the land for which the lease is executed.

42. The person or persons so selected shall be required to give assistance to the Canal Officers in respect of the following matters:—

(*i*) In the preparation of the applications for leases.

(*ii*) In the measurement of the irrigated lands.

(*iii*) In recording the names of the occupiers of the holdings.

(*iv*) In receiving demand statements and distributing to the cultivators the individual notices of assessment.

(*v*) In attending, when required, at enquiries into complaints.

(*vi*) In reporting to the Zilladars any changes in the occupancy of lands under lease.

(*vii*) In assisting the Tahsildar in collecting rates.

43. For such assistance the cultivators' representative or representatives shall be entitled to free irrigation of the lands in his or in their own occupation, which may lie within the boundaries of the leased area subject to a total limit of 3 per cent. of the area assessed. The Revenue Officer may disallow in whole or in part this free irrigation, and may recover the rates which would otherwise have been payable in whole or in part if the assistance specified in rule 42 has not been efficiently rendered. The reasons for such disallowance shall be recorded in writing.

44. The Revenue Officer shall maintain in his office a register containing a record of the names of all representatives and of the areas of free irrigation allowed to each.

45. Applicants for single waterings for season leases shall be required to nominate one of their number who must have a substantial interest in the land to be irrigated as their representative. The representative so nominated shall perform the same duties as stated in rule 42 and shall receive remuneration on the same scale as in rule 43.

46. **Power to decline or cancel leases.**—Should it be proved, after due enquiry, that the supply of water given to any leased area is habitually wasted or used for the irrigation of lands not under lease, it shall be competent for the Superintending Engineer to direct that the lease shall be cancelled with effect from the 1st of June next following. The order to cancel a lease shall be passed before the 1st of April of the year in which it is to take effect.

47. The Superintending Engineer may give directions to the Divisional Canal Officer to decline applications for irrigation leases of lands in villages where there has been persistent difficulty in realizing the water-rates, until all arrears have been paid.

He may further suspend, or altogether cancel, any leases for a term of years, if on the 1st June of any year, water-rates to the extent of half the demand for one year are in arrears. Previous notice of intention to put this rule in force shall be given not later than the 15th April preceding.

48. Tanks may be filled with canal water without charge, wherever water can be made available without injury to the cultivation dependent on a canal under the following conditions:—

I. No tank shall be filled unless the water is to be used exclusively for domestic purposes or for watering cattle.

II. No tank shall be filled from which irrigation is practised.

III. No tank shall be filled which intercepts any line of drainage or is liable to overflow from the accumulation of water from natural causes.

IV. No tank shall be filled except on the written order of the Subdivisional Canal Officer issued on the written application of the persons concerned.

V. No tank shall be filled unless the channel used to convey water to it shall be shown to the satisfaction of the Subdivisional Canal Officer to be in a sound condition when the application is made.

VI. The privilege here accorded may, by the written order of the Subdivisional Canal Officer, be suspended for twelve months for the breach of any of the above rules.

49. Except when a public right of way exists, no person shall, without the permission expressed in writing of the Divisional or Subdivisional Canal Officer, pass himself or cause any animal or vehicle to pass, on or across any of the works, banks or channels of a canal or drainage work which is part of the canal system except by means of such bridges, fords and ferries as may have been provided for the purpose.

Any person who, after due warning, commits a breach of this rule may be proceeded against under section 93, clause (*9*) of the Act.

50. The use of any part of the banks or berms of any canal, drainage work which is part of the canal system, or flood embankment which is subject to the provisions of the Act, as a place for relieving the calls of nature is prohibited. Any person who after due warning commits a breach of this rule may be proceeded against under section 93, clause (*9*) of the Act.

51. When tanks which are used both for irrigation and domestic purposes are filled with canal water, a charge at the rate of rupee one will be made for each 10,000 cubic feet or part of 10,000 cubic feet of water supplied.

The Divisional Canal Officer may supply water for manufacturing or other purposes and charge for the same at the rate of Rs. 2 for each 10,000 cubic feet or part of 10,000 cubic feet of water supplied. The same charge will be made if water is taken into a tank without authority or used in an unauthorised manner.

52. No officer employed on the canals, unless especially exempted by the Governor in Council from the operation of this rule, shall have any interest in the distribution of water from any of the canals or purchase or bid for any Government property sold thereon either in his own name or in the name of another, or jointly, or in shares with others.

HIGH COURT NOTICE.

English Department—Civil.

The 23rd March 1933.

No. 9483C.—The following amendments, which have been made in the High Court's General Rules and Circular Orders, Civil, Volume I, relating to the method and proof of service of processes in the subordinate courts and which have been approved by the Governor-General in Council, are published for general information.

The revised rules will come into force immediately:—

Method and proof of service.

14. Service should always be personal wherever practicable (Order 5, rule 12) and the Courts ought not in *ex parte* cases to act upon anything short of personal service, until they are satisfied that personal service could not reasonably be effected.

NOTE 1.—Personal service shall be deemed to include all cases in which the process is delivered or tendered to the person concerned or his agent empowered to accept on his behalf, whether accepted or refused, including service under Order 5, rules 13 and 14, Order 39, rule 2 and Order 30, rule 3, and all cases under Order 5, rule 15 of the Civil Procedure Code in which the process is accepted by an adult member and a receipt granted.

NOTE 2.—The signature required under Order 5, rule 16, should in the case of illiterate persons be held to mean the thumb impression. Process-servers out on duty should therefore be supplied with printers' ink, etc., for taking such impressions.

15. (*1*) A party shall not ordinarily be required to supply an identifier for the purpose of serving a summons or notice or any other process on a defendant, respondent, witness or other person whether issued by any subordinate court or the High Court or received from Courts outside its jurisdiction, and the serving officer shall serve the summons, notice or process after due enquiry as to the identity of the person on whom, or the house or property where, the same is served. The serving officer shall serve in the presence of at least two independent local residents and he shall whenever possible require the signatures of those persons (or thumb impressions when they are illiterate) to be endorsed on the original process and, where he is unable to serve the process, he shall, whenever possible, require the signatures (or thumb impressions when they are illiterate) of at least two persons of the locality to be so endorsed.

(*2*) If it appears to the Court that sufficient information is not given as to the identity and place of residence of the person on whom, or the house or property where, a process is to be served, or if the Court is satisfied from the declaration of the serving officer or upon his examination on oath (if necessary) that the person to be served or the house of property could not be identified after due diligence and enquiry, it may ask the party concerned to supply an identifier.

16. A notice or process shall be served by delivering a copy of it to the person addressed. If the person is literate, he shall be required to sign the original as an acknowledgment of receipt. If he is illiterate, his thumb impression should be taken on the original process.

17. If the person addressed or his agent or an adult male member of his family or other person on his behalf refuses to receive the process or refuses to sign or give his thumb impression but wants to retain the copy, it shall not be made over to him and he shall be informed verbally of the nature of the process. In either case service shall be effected and proved in the manner prescribed in Order 5, rule 17 and it should also be proved that the party was informed that the document tendered was a summons or notice, and that he was made acquainted with the nature and contents thereof.

18. If the person addressed is absent from his residence at the time of attempted service and there is no likelihood of his returning there within a reasonable time and there is no agent empowered to accept service on his behalf, nor any other person on whom service can be made, service shall be effected in the manner directed in Order 5, rule 17. It should be proved according to the circumstances of the case by the declaration of the serving officer and, if necessary, by the affidavit or solemn declaration of some other person or persons (if any) acquainted with the facts that the person was absent from his residence at the time of attempted service and there was no likelihood of his returning within a reasonable time and that there was no agent empowered to accept service, nor any other person on whom service could be made; and in any case that the house on the outer door of which a copy of the process was affixed, was the ordinary residence or place of business of the person addressed at the time when it was so affixed. The Court may also proceed under Order 5, rule 19.

19. If service be made under Order 5, rule 15, it should be proved in like manner that the person was absent from his residence at the time of attempted service and there was no likelihood of his returning within a reasonable time, and had no agent empowered to accept the service, and that the person to whom the process was delivered was an adult male member of his family and was actually residing with him at the time of such service. It is to be noted that a servant is not a member of the family within the meaning of this rule.

20. If the service is made under Order 5, rule 14, it should be proved in like manner that the summons or notice could not be served on the defendant or respondent in person, and that he had no agent empowered to accept the service, and that the person to whom the process was delivered was an agent of the defendant or respondent in charge of the land or other immovable property forming the subject-matter of the suit.

21. If the return of service is under Order 5, rule 20, it should be proved in like manner that the house, upon the door or other conspicuous part of which a copy of the process was fixed, was the house in which the defendant or respondent is known to have last resided, or carried on business or personally worked for gain, or that the service was made in all respects in conformity with the order for substituted service, which should accompany the process. It should also be proved in like manner how long and until what time the defendant or respondent resided in the house, and what has become of him.

NOTE.—In the case of service under Order 5, rules 14, 15, 17 or 20 it must also be proved that proper and reasonable efforts were made to find out the person to be served. For instance, the serving officer should go to the place or places and at the times at which it was reasonable to expect the person would be found, and mere temporary absence of the person does not justify the serving officer in affixing a copy of the summons on the door of the person's house. The process should again be taken to his house to be served upon him when the enquiries made show that he is likely to be at home and to be found there.

22. If the person addressed has no place of residence and he cannot be found or if he is dead, these facts shall be stated in the report together with the names and addresses of at least two persons from whom the facts are ascertained. If the person addressed has ceased to live at the place, his present address, if available, should be reported.

23. If the service is made under Order 5, rule 12, on an agent, it should be proved that such agent was empowered to accept service, under Order 3, rules 2, 5, 6; Order 27, rule 2, or section 85 (*1*), Civil Procedure Code, or by virtue of appointment for that purpose in writing. The party causing the service to be effected must, in both the last mentioned cases, furnish the necessary proof (*vide* rule 27) to this effect. It is a matter of which, ordinarily speaking, the serving officer would have no knowledge.

24. If the service is made under Order 39, rule 2, it should be proved that the summons or notice was left at the *registered* office of the Company or, if there is no such office, at the place where the Company carries on business, or that it was delivered to any Director, Secretary, or other principal officer.

25. In the case of Railway Administrations or Companies, in addition to service in the usual way, a copy of the summons should be sent by post under Order 39, rule 2 (*b*): provided that if the summons is sent by registered post, service in the usual way may be dispensed with.

26. If the service is made under Order 30, rule 3 (*b*), it should be proved that the person on whom the summons was served had at the time of service the control or management of the partnership business.

27. The Court should in all cases obtain the proof which is above described as requisite either by the declaration of the person by whom the service was effected, and if necessary by the affidavit or solemn declaration of some other person or persons (if any) who may have accompanied the serving officer for assisting or directing him; or, if deemed necessary, by the examination in Court as witnesses of such persons as the Court may think fit to examine.

28. In addition to the modes of service in the above rules, it is open to the Court, even when there has been technical compliance with the provisions of law, to order service

in another mode by directing the issue of summons or notice by means of registered post (acknowledgment due). This should be resorted to specially in the case of minors or *pardanashin* women on whom personal service is not possible or when all attempts at personal service on a person have been unsuccessful and the Court is not fully satisfied about due service.

29. (*1*) In determining whether the service is good or sufficient the attention of the Court is drawn to the necessity of strictly following the requirements of law in the Civil Procedure Code.

(*2*) Where service is effected under Order 5, rule 17 by affixing a copy of the summons or notice it is incumbent upon the Court to make an enquiry under Order 5, rule 19, and to record a distinct declaration of due service, if satisfied, or to order such service as it thinks fit.

30. (*1*) If the process is addressed to more than one person the report shall describe the manner of service on each person.

(*2*) Process-servers should invariably note the time and place of service of each individual process and also the sequence in which processes are served on different persons to be served in the same case and on the same occasion, in their reports and declarations.

(*3*) Every return should invariably be written on the spot of service in the presence of the persons witnessing it.

(*4*) Every report of service or non-service shall comply strictly with the directions in these rules and Civil Process Form No. 5, Appendix C, Volume II, and the declaration in proof of service shall be recorded in legible writing in the manner laid down in Form No. 11, Appendix B, Schedule I, Civil Procedure Code as amended by the High Court of Judicature at Form William.

N.B.—*Instructions for the guidance of process-servers and returning officers.*

(*a*) If the process-server is personally acquainted with the person to be served, the fact should be stated. If he is not so acquainted, it should be stated how did he satisfy himself about the identity of the person.

(*b*) It should be seen that the name of the person who accepts service corresponds exactly with the name given in the process. Where the signature in token of acceptance differs from the name given in the process, the discrepancy should be explained.

(*c*) Where the process is served on some person other than the person named therein, who accepts the notice on his behalf, it should be stated whether such person is an adult, and whether he is living with and is undivided from the person on whose behalf he accepts service.

(*d*) Where service is accepted by an agent, it should be stated whether such person is duly authorised to accept service.

(*e*) Where a person refuses to accept the process, the grounds thereof, if any, and the names of the persons witnessing the refusal should be given.

(*f*) Where a notice is affixed owing to the absence of the individual named therein, it should be stated, if possible, both when he left home and when he is likely to return.

(*g*) When personal service is not possible on *pardanashin* women, an attempt should be made to serve some male member of the family.

31. When the summons or notice which has been served is the summons or notice of another Court transmitted to the serving Court for the purpose of service only, then, upon service being effected, this latter Court should retransmit the summons or notice to the Court by which it was issued, together with (1) the Nazir's return, (2) the declaration or deposition of the serving officer and the affidavit or solemn declaration or deposition of the witnesses (if any) relative to the facts of service, (3) the record of such Court's proceedings with regard thereto (Order 5, rule 23) and (4) in a case where any of these documents is in a language different from that of the district from which the process issues, an English translation of such document.

Additional Rules relating to the service of Notices issued by the High Court.

32. On receipt of the proceedings of the High Court, transmitting the notices of appeals or applications, the lower court shall cause their service without the payment of any further fee and without any further action by the Appellant provided that:—

(*1*) any additional fees for boat-hire or ferry toll exigible under rule 7 of the rules framed under clause (*i*) of section 20 of the Court Fees Act, VII of 1870, shall be deposited by the Appellant in the Court of service;

(*2*) the appellant, or someone employed by him if he desires, accompany the serving officer for the purpose of pointing out the residence of the respondent.

33. The date fixed for the hearing of the case and the time allowed for service and return to the High Court shall be specified in the notice.

33A. The lower courts shall issue all notices immediately on receipt thereof, and in their returns of service shall in every instance insert (*a*) date of receipt of notice; (*b*) date of delivery to the serving officer; and (*c*) date of receiving it back from him.

33B. It shall be the duty of the lower court to cause the notice to be served in sufficient time before the date fixed, and, if such service be impracticable, to state, when returning it to the High Court, the reasons thereof. The lower court shall satisfy itself that a valid service has been made or that there has been a failure of service, and shall certify such opinion with the reasons in case of failure of service. The certificate shall be accompanied by the return of service or of failure to serve the notice and the declaration of the serving officer specifying the fact and mode of service or the reason for non-service.

33C. Notice for service on respondents or opposite parties residing in any district other than that from which the appeal, application, etc., comes, shall be sent by the Deputy Registrar (Appellate Side) to the proper court in the district in which such notice is to be served. If, however, the opposite party or any of the parties to be served resides in the same district but outside the jurisdiction of the Court from which the appeal, application, etc., comes, the notice shall be sent for service to the Court within whose jurisdiction the party resides, if known, if not known then to the Court from which the appeal or application comes, directing the latter to forward it to the proper Court within the jurisdiction of which the notice is to be served. The Court which serves any notice shall in every case make its return of service or of the failure of service (as the case may be) direct to the High Court and shall be guided by rules 32, 33A and 33B of this Chapter.

By order of the High Court,

N. L. HINDLEY, *Registrar.*

8. In clause (*a*) of section 215 the word " taxes " shall be replaced by the word " rates ".

Power to sell unclaimed holdings for money due.

9. In sub-section (*1*) of section 525 the word " tax " in the 2nd line shall be replaced by the word " rate ".

STATEMENT OF OBJECTS AND REASONS.

1. Some difficulties have been experienced regarding some sections of the Bengal Municipal Act, 1932, which are now necessary to be amended as per reasons noted below :—

2. The word " made " was perhaps omitted through printing mistake without which the " Regulations " cannot remain in force.

No mention has been made regarding the bye-laws as was the case in the old Act. So this provision is necessary for the working of the interim period before new bye-laws are framed.

3. (*a*) (*b*) (*c*). These amendments have been suggested to make them consistent with clause (*ii*) of sub-section (*5*) of section 23, which was the original intention of the legislation.

4. Section 132 makes the owner only liable for payment of rates. Moreover an occupier of a holding changes from one house to another every now and then, so the words " and occupier " shall be omitted.

5. Sub-section (*1*) of section 138 provides that the sanction of the Commissioners at a meeting is necessary for any alteration or amendment of the Assessment Register including even Arithmetical mistakes. This means curtailment of the power of the Chairman for no palpable advantage and will cause unnecessary delay in disposal of such cases. Moreover after any amendment of the Assessment Register is sanctioned by the Commissioners at a meeting under section 138, the same should not be revised by the Assessment Committee which is only a sub-committee as provided in sub-section (*3*) of section 138.

The assessee gets two chances once after assessment, *vide* sub-section (*2*) of section 147 and again after service of first notice of demand, *vide* sub-section (*2*) of section 148 to apply to the Commissioners for reviewing the amount of assessment or valuation or to exempt him from the assessment of rate. So sub-section (*2*) of section 138 should be amended as suggested by omission of clause (*d*) therefrom.

6. When a holding remains vacant for more than three quarters the order of remission on the original application only can be made within six months, whereas, that for the subsequent quarters will have to be made afterwards. In such cases the application for remission cannot be made within six months from the date of notice. Moreover the application for remission is redundant as the notice of vacancy is practically an application for remission. The period of six months prescribed for application for refund is too short and should, therefore, be extended to one year.

7. Unless the proposed amendment is accepted there will be great difficulty in the formation of such a committee and getting regular attendance of the same. The result will be long delay in the disposal of these matters, causing delay and complication in the realisation of the rates.

8 and 9. In the new Municipal Act the word taxes means " taxes " on carriages and animals which cannot be applied to sections 215 and 525.

THE BENGAL MUNICIPAL (AMENDMENT) BILL, 1933.

A

BILL

further to amend the Bengal Municipal Act of 1932.

WHEREAS it has been found necessary to amend the Bengal Municipal Act of 1932;

It is hereby enacted as follows :—

1. (*1*) This Act may be called the Bengal Municipal (Amendment) Act of 1933.

(*2*) It extends to the whole of Bengal except Calcutta as defined by clause (*11*) of section 3 of the Calcutta Municipal Act, 1923.

2. The Bengal Municipal Act of 1932, hereinafter referred to as the said Act shall be amended in the manner hereinafter provided.

3. In sub-clause (*iii*), clause (*2*) of section 23 of the said Act, there shall be a comma (,) after the word " resident " in line 3 thereof.

4. The following *Explanation* shall be added at the end of section 23 of the said Act :—

" *Explanation.*—A person shall be deemed to be resident within the limits of a municipality if he—

(*a*) ordinarily lives within those limits ;

(*b*) has his family dwelling-house within those limits and occasionally visits it ;

(*c*) maintains within those limits a dwelling-house ready for occupation in the charge of servants and occasionally occupies it ; or

(*d*) has any legal interest in a dwelling-house for which a rate has been paid as referred to in clause (*2*) (*iii*)(*a*) of the section and occasionally occupies it. A person may be resident within the limits of more than one municipality at the same time."

STATEMENT OF OBJECTS AND REASONS.

One of the objects of the Bengal Municipal Act of 1932, was to extend the franchise and put it on a wider basis so as to get as many persons as possible to interest themselves in the work and welfare of mufassil municipalities. But this object is likely to be frustrated by the narrow and rigid interpretation which is being put in certain quarters upon the residential qualification laid down in section 23 of the Act. "Residence" according to this interpretation has been taken as meaning actual, physical occupation throughout the year. This is likely to cause considerable hardship in many cases, specially in the case of those riparian and suburban municipalities near about Calcutta where there are many rate-payers, keenly interested in the sanitation and welfare of their native village, who have their family dwelling-house within the limits of the municipality and who occasionally visit and occupy the same but who for the sake of service or for the education of their children have to spend the larger part of the year in the metropolis. It was never the intention of the Legislature to shut out these people from the franchise; and judicial decisions make it perfectly clear that the word "residence" in section 23 must be taken in its "legal" and not in its "dictionary" sense. But this fact ought to be made clear in the Law itself so that people may be saved the unnecessary harassment of running to the law-courts. Accordingly, it is proposed in the present Bill to amend the Act by engrafting upon its body the rules framed under the old Bengal Municipal Act of 1884.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 24th March 1933.

Forecast of the Rabi Crops of Bengal for 1932-33.

(NOTE.—On an average of the five years ending 1930-31, the area under summer rice in Bengal has represented some 0·5 per cent. of the total area under rice in British India.)

Character of the season. The rainfall in October, though below the average, was adequate for the preparatory tillage and sowings of the early sown crops, but heavy rain during the first part of November interfered with the progress of the operations in some districts. Subsequently since the latter part of November dry weather was helpful to further sowings and germination of the crops. Towards the end of January seasonable showers favoured the growth and development generally. Rainfall in February though beneficial to late sown crops was harmful to some mature crops in parts of West Bengal. On the whole the season has been a satisfactory one this year.

Acreage. The normal area under the different rabi crops dealt with in this forecast is estimated at 3,418,400 acres. The area actually sown this year is reported to be 2,888,900 acres as against 2,981,600 acres last year. Of this, the area under summer rice is returned at 393,900 acres as against 394,400 acres last year, and that under tobacco is 281,000 acres as against 292,800 acres last year.

Outturn. According to District Officers' estimates, the average outturn of the different rabi crops for the province as a whole works out at 81 per cent. of the normal as against 79 per cent. last year, the outturns for the more important rabi districts being as follows:—

Mymensingh 100, Dacca 66, Rangpur 100, Faridpur 90, Murshidabad 72, Pabna 69, Noakhali 60, Malda 79, Jalpaiguri 83, Rajshahi 69, Khulna 83, Bakarganj 76, Nadia 73, Tippera 79, Jessore 74, Bogra 69 and Midnapore 83.

Summer rice and tobacco crops. The outturn of summer (boro) rice, according to district estimates, is 91 per cent. of the normal as against 75 per cent. last year. The gross yield of the crop for the province, on a basis of the normal yield of 15 maunds of clean grain per acre, is estimated at 197,500 tons this year as against 152,100 tons last year.

The outturn of tobacco crop is estimated at 93 per cent. of the normal as against the same estimate last year. Taking 14½ maunds as the normal yield of the crop per acre, the gross yield of the crop for the province this year is estimated at 139,200 tons as against 122,500 tons last year.

Director of Agriculture, Bengal (offg.).

[*Cf.* Mad. Act V of 1920, Sch. IV, r. 62.]

(*2*) Any sum or part of a sum so paid or recovered, the certificate in respect of which is set aside or modified under section 123B, sub-section (*5*), or under section 123C, shall, as the case may require, be wholly or partly refunded, in the prescribed manner, to the person who paid it.

Costs and expenses payable out of Municipal Fund.

123E. (*1*) All costs allowed by the Court against the auditors under the provisions of section 123C and all expenses incurred by the auditors in connection with an application under section 123D shall be paid out of the Municipal Fund.

(*Clause 11.*)

Effect of non-payment of certified sums.

123F. If any sum certified by the auditors under this Act to be due from a Councillor, Alderman or member of a Committee or from any officer or servant of the Corporation is not paid by such person within the period of one month or such longer period as the Local Government may allow under section 123D, he shall be deemed to have vacated his seat or to have been dismissed from the service of the Corporation, as the case may be, with effect from the date of an order to be made by the Local Government in this behalf and shall not be eligible for re-election or re-appointment until the sum certified has been paid by him or the certificate in respect of such sum has been set aside under section 123B, sub-section (*5*), or under section 123C.

Power to Local Government to make rules.

123G. (*1*) The Local Government may make rules for the purpose of carrying into effect the provisions of this Chapter.

(*2*) In particular and without prejudice to the generality of the foregoing power, such rules may provide for all or any of the following matters, namely:—

(*a*) the manner and forms in which the accounts of the Corporation shall be kept;

(*b*) the agency by which and the manner in which prosecutions shall be instituted under section 121A;

(*c*) the powers and duties of the auditors, the procedure to be followed by them and the times and places at which an audit may be conducted;

(*d*) the period within which matters shall be referred to the Local Government under section 123;

(*e*) the period within which and the manner in which audit notes with the replies of the Corporation shall be published;

(*f*) the manner in which and the price at which audit notes with the replies of the Corporation shall be offered for sale;

(*g*) the service under section 123B, sub-section (*4*), of certificates and copies of the reasons for the decisions of the auditors;

(*h*) recording in minutes and proceedings of the meetings of the Corporation or of any Committee thereof the names of persons who vote for and against any motion or resolution that is adopted or passed and of persons who do not vote;

(*i*) the period within which application shall be made by the Executive Officer under section 123D, sub-section (*1*); and

(*j*) the manner in which refunds shall be made under section 123D, sub-section (*2*)."

STATEMENT OF OBJECTS AND REASONS.

In the beginning of July, 1932, Government addressed a letter to the Corporation of Calcutta asking whether teachers employed by them in their Primary Schools had participated in the civil disobedience movement or been convicted of political offences, and enquiring what disciplinary action the Corporation had taken or proposed to take. To this inquiry the Corporation replied that they were not responsible for the political activities of their employees outside their office hours. This was a position in which Government could not acquiesce, and the Legislative Council were, therefore, informed on the 16th December, 1932, that legislation would be introduced to deal with the matter during this session. This explains why it is proposed to insert in Chapter IV, Part II, of the Calcutta Municipal Act, 1923, the sections which are included in clause 2 of the Bill. The remaining clauses are intended to enforce obedience not only to these new sections but also to others which are already in the Act.

2. In the Calcutta Municipal Act the legislature, while giving very wide powers to the Corporation, left to Government certain powers of control: in particular it made specific provisions against action being taken by the Corporation in certain matters of importance without the prior sanction of Government. But the powers which are given by the Act to Government for enforcing these provisions have proved too vague and too cumbrous to be effective: and the Act does not include any penalties which can be enforced against persons responsible for these provisions being disregarded. There have been several instances in which the Corporation have been found to have acted in defiance of them and in which Government have been faced with the difficulty that they must either condone the irregularities or take action so drastic as seriously to affect the interests of the ratepayers. In addition, the auditors have drawn attention in successive reports to the slowness with which the Corporation dispose of audit objections, and to the consequent failure of audit to function as a safeguard against laxity in administration. Provision has accordingly been made in the Bill to strengthen the position of the auditors and also to introduce the system of disallowance and surcharge which, in Great Britain, has proved an effective barrier against illegal actions by members of Corporations. This proposal will not encroach upon the existing privileges or powers of the Corporation and will be quite consistent with the spirit of the Act. The system of surcharge is meant to safeguard the interests of the ratepayers and, as a method of enforcing the law, appears to be preferable to any system under which powers might be given to Government to supersede the Corporation.
